

MESSAGE FROM THE FOUNDER & CEO

18 JULY 2025

Dear Colleagues,

The Madiba Magic in Youth Empowerment.

As we celebrate the Nelson Mandela day on July 18, 2025; the management and staff at the SACGRA invokes the bold, courageous and reconciliatory spirit of Madiba.

May we put these ethos that Madiba displayed in all our efforts and actions.

We urge the graduates and interns of the SACGRA to lead by example and create ecosystems of competence and helpfulness in their workplaces and communities.

Regards,

Thamsanqa Maqubela
